Languages: Indonesian (Native), English (Upper-Intermediate)

PROFESSIONAL EXPERIENCE

SEO Specialist — Search Agency

Sep 2025 – Present

Remote

- Manage SEO, content strategy, and AI search optimization for national and international clients, including Kalbe, The Ascott Limited, and Taman Safari Indonesia.
- Increased PRENAGEN's Google AI Overview visibility from 36% to 77% through schema improvements, structured FAQs, and ongoing content planning.
- Improved underperforming content and topic clusters for Morinaga, increasing organic sessions by 95.6% in a single month and expanding AI Overview visibility to 2,200 keywords.
- Worked on technical SEO improvements and content optimization for The Ascott Limited, improving average Google ranking position from 20.5 to 8.9 and increasing daily AI search citations.
- Developed internal linking and content strategies for Taman Safari Indonesia's six parks, contributing to 545K monthly organic visits and 1,520 keywords ranking in Google's top 3.
- Refreshed and optimized hundreds of articles across multiple client accounts as part of ongoing SEO and content improvement efforts.
- Managed SEO workflows from keyword research and content briefs to publishing and monthly performance reporting across multiple client accounts.

SEO Specialist Intern — Seven Retail (SOZO Skin)

Jun 2025 – Sep 2025

South Jakarta, Indonesia

- Improved navigation and mobile responsiveness on an existing WordPress website to support a better online shopping experience.
- Managed website content based on business goals to improve product visibility and attract relevant traffic.
- Created 15 SEO content briefs per month based on competitor research, upcoming events, and search intent.
- Analyzed and optimized landing pages, with 10 of 16 pages ranking on Google's first page.
- Increased keywords ranking in positions 1–3 from 176 to 220 and improved click-through rate from 34.15% to 45.53%.
- Implemented basic technical SEO improvements, including sitemap indexing, mobile optimization, and robots.txt configuration.

PERFORMANCE MARKETING PROJECTS

Google Ads — Boleh Belajar (EdTech Bootcamp)

- Structured keyword groups and tested ad copy for a 7-day search campaign with a Rp30,000 daily budget.
- Achieved a 10.17% CTR, 2.5x the 4% target, with the top ad receiving an "Excellent" Google Ad Strength rating.

Meta Ads — Havara Studio (D2C Leather Goods)

- Built a 3-stage awareness-to-conversion funnel with a budget of under Rp1M per week.
- Generated 197 new WhatsApp leads in 7 days at a cost per lead 64% below benchmark.
